LifeCharter Command Suite: Data Room

Index and links. Prepared October 11, 2026. LifeCharter Command Suite, AmiLynne Carroll.

In this folder

File	What it shows
00 Investor Summary.pdf	Two pages: the ask, where things stand, the plan, pricing, risks and next steps. Start here.
01 Investor Brief.pdf	The full brief: the ask, the product, the funnel, pricing, plan, risks and FAQ.
01a Product Screens.pdf	Twenty-eight screens of the live product in demo mode, on sample data: setup, planning, sales, marketing, finance, projects and the AI assistant.
01b Client Journeys.pdf	Four one-page maps of the client experience: the Executive Consultation route, the self-serve Starter route, the first 30 days inside the Suite, and life after day 30.
02 Financial Model.xlsx	The editable plan: 105 clients in 12 months, the funnel, founder and January 1 prices, scenarios. Change the blue cells on Inputs.
03 Security and Privacy Summary.pdf	One page: what is in place and what is not.
04 Replacement-Cost Assumptions.pdf	Hours, rates and exclusions behind the estimated cost to build.
LCCS Investor Package (all in one).pdf	Everything above in one master document.
