

Same symptom, different cause

Two businesses can have the same problem for opposite reasons. The fix has to fit the cause in your business, not the symptom.

REMEMBER

- ◆ A symptom tells you where to look. It does not tell you what is wrong.
- ◆ What worked for someone else may be the wrong fix for you.
- ◆ Name the cause before you choose the cure.

YOUR TURN

The symptom that worries me most right now:

Three different things that could be causing it:

What I can check to find out which one it is:

A fix I copied from someone else that did not fit my business:

The fix that fits the real cause:

THIS WEEK

Take your most pressing symptom and write three possible causes before you try another fix.
